Summary

DC had a bad take, it exploded on Twitter, we had a laugh about it on Discord; I've impulsively put together a little drabble. Mostly to have fun with formatting this like a Twitter thread.

Notes

Inspired by this delightful piece of information:

[DC on Twitter: heroes don't eat pussy and don't masturbate](#)

This uses a Work skin to mimic Twitter. If you turn the work skin off, it will be harder to make sense of, maybe even unreadable. But it should work okay even on mobile so I encourage you to keep the work skin on!

I can assure you that some heroes do, in fact, pleasure their partners orally.
